

Emma S. Clark Memorial Library 2017 Teen Talent Share Application

Do you have a special talent, skill or hobby you would like to share with other teens? **Earn community service credit during the summer of 2017** by running a program spotlighting your skill or talent. For example, you can run a craft or art program, teach photography, direct a short film, or coordinate a gaming tournament. This application must be returned to the Adult Reference Desk by no later than **March 6, 2017**. We will select several teens to run programs based on the needs and time constraints of the library. After you submit the application, Nanette Feder, Teen Services Librarian, will contact you to set up an interview to discuss your application if your proposed program is going to be considered. If we agree to run your program, we will schedule a date and time during the months of July and August 2017 to run the program and will expect you to honor your time commitment. If your program is selected, it will be advertised in our summer newsletter.

Thank you for your interest in this program! If you have any questions, please contact Nanette Feder at
